The Estate of Miss Margaret Lewis

Alumni and Staff through contributions to the University's Development Fund

The restoration and refurbishment of the Western Bank Library Exhibition Gallery in 2010 was made possible by a generous grant from The Wolfson Foundation under its programme of support for UK research libraries, a major bequest, and hundreds of individual donations from alumni and friends.

This key public space in the Grade II* listed Western Bank Library enables items from the University Library's Special Collections and from the National Fairground Archive to be displayed in controlled conditions, as well as providing an opportunity to host visiting exhibitions.

The University is particularly grateful to The Wolfson Foundation for its continued support of the University's life and work. We are also especially pleased to acknowledge the generosity of the late Miss Margaret Lewis (BSc 1923) whose legacy of £100,000 to the University has also helped to restore the Exhibition Gallery. Additional funds were provided to this project by Alumni Fund donations – the University's year-round fundraising campaign to alumni and friends.
